

Spacious, yet intimate the Studio De Luxe room is the ideal combination of classic and modern, stylish and functional. The furniture and decor designed in classical themed style, transpose guests in other times, having a special charm. The quality cotton linen, fluffy towels, bathrobes, phone, LCD TV, wi-fi internet, fully equipped kitchen including the coffee maker, tea maker, microwave, cutlery and crockery, and also the fully equipped bathroom including hair dryer and bathrobes are just some reasons for you to feel AT HOME. Equipped with spring bed and orthopaedic, antiseptic mattress the STUDIO DE LUXE bedroom offers comfort and a restful sleep. On request we provide one person extrabed. The living and relaxation area allows you to conduct business discussions in an appropriate environment away from noise and bustle of a restaurant or bar.
