Everything that goes into a DUPLEX ROOM is quality, refinement and art. From the furniture created to greet your claims up to the fully equipped bathrooms and antique lighting fixtures designed to transmit privacy and good taste. Wall decorations, curtains and classic style paintings that adorn the two matrimonial bedrooms suggest comfort and elegance.
In addition to finesse details, our guests will appreciate the set of facilities made available to them: wi -fi internet connection and cable, telephone, 32-inch LCD TV, individual microclimate, minibar refreshed daily
